

## DRAINAGE RESEARCH CENTRE, TANDO JAM

S.No	Name/Designation	Qualification/Expertise	Picture
1	<b>Muhammad Khan Marri/</b> Director (Incharge)	<b>M.E (Agri) Drainage Engineering/</b>	
2	<b>Mr. Abdul Salam Arain/</b> Deputy Director	<b>M.E (Agri) Irrigation &amp; Drainage/</b> Data collection and compilation of tile drainage units, report of concerned assignments, writing survey & investigations of problematic soil and suggest their solutions, survey, design and supervise the execution of various research projects..	
3	<b>Mr. Ghulam Mustafa Moroojo/</b> Deputy Director	<b>B.E (Civil) /</b> Monitoring of tile drainage system at Khairpur SCARP tubewells Khairpur East Khairpur Tile Drainage WAPDA Khairpur preliminary investigations and surveying leveling and design of tile drainage system.	
4	<b>Mr. Qadir Ali Sipio/</b> Deputy Director	<b>M.S.C (Hons) Agri./</b> Data collection on yields, water, soil and agronomic aspects for paper and report writing. Planning and development of new research studies, project proposed and PC-1s preparation.	

5	<b>Mr. Muhammad Ismail Jakhro/</b> Assistant Director	<b>B.E (Civil)/</b> Construction of tile drainage unit monitoring of Skimming Well at Atomic Energy Farm Tando Jam, and repair and maintenance and construction Skimming wells installed by DRIP.	
6	<b>Mr. Allah Bachayo Barich/</b> Assistant Director	<b>B.E (Mechanical)</b> Mechanical Engineering/Repairing and maintenance of all DRIP Vehicles.	
7	<b>Mr. Zafarullah Memon/</b> Assistant Director	<b>B.E (Agri) /</b> Conduct Research on Trickle/Sprinkler Irrigation System at DRC Campus To determine water requirement of Jujube, Lemon and Guava Orchard at DRC Campus.	
8	<b>Mr. Abdul Qayoom Soomro/</b> Assistant Director	<b>B.Sc. Chemistry/</b> Laboratory analysis on physico chemical properties of soil, analysis of irrigation, water quality, titration of cations and anions and calculation of sodium adsorption ratio and exchangeable sodium percentage.	

9	<p><b>Mr. Rajab Ali Samo/</b> Assistant Director</p>	<p><b>B.E (Agri)/</b> Worked on installation of the tile drainage system, monitoring drainage projects, land reclamation, water management, innovative irrigation techniques and lysimetric studies.</p>	
10	<p><b>Hafiz Abdul Salam Memon/</b> Assistant Director</p>	<p><b>M.E (Hydraulics &amp; Irrigation Engineering)/</b> Assess the effects of unmanaged wastewater effluents on water resources, soil, crops and human health (A case study of Faisalabad). Design and installation of lift, sprinkler and drip irrigation system, and socioeconomic survey of Rainfed and AJ&amp;K areas.</p>	
11	<p><b>Mr. Ali Sher Shaikh/</b> Assistant Director</p>	<p><b>M.S.C (Geology)/</b> Preparation of Bibliography on Land and Water Development. Assistance in editing and printing of research papers/technical reports/articles/brochures/ newsletter/Journals etc. Resistivity survey for groundwater investigation</p>
